### Happy Spring

April 2010

Dear Friend,

A special Thanks to Jane for referring 10 new patients last month! We are excited to know that many of you have confidence in our office to treat your friends and family. We would certainly like to show our deepest sincerity to the rest of our patients who have also referred. To show our appreciation we would like to offer a \$100 Restaurant Gift Certificate to any patient that refers 10 friends or family members now through June 15th.

### Dental Implants

Are you or someone you know a candidate for dental implants? To find out, please answer the following questions:

- Do you take your lower denture out during the day?
- Do you never wear your lower denture?
- Do you have speech difficulties while wearing your lower denture?
- Does your lower denture move excessively?
- Do you avoid certain foods because of your lower denture?
- Do you eat better without your lower denture in place?
- Do you have less chewing ability with your dentures than you had with your partial denture or natural teeth?
- Are you unhappy with the size, shape or fit of your lower denture?

If you answered, "Yes," to any of the above questions, please call our office to schedule an evaluation for the most advanced, gentle and specialized dental implant care available.

### Tip of the Month

#### Classic Child's Easter Basket How-To

1. Paint the basket a color of your choice, but if you are using a brown basket, first spray or brush on white latex primer. When using spray paint, work in a well-

ventilated space.

2. Make bows from narrow ribbons, and place them around the basket's edge with a hot-glue gun or with small pieces of floral wire. The basket can serve as a decorative container year-round, so consider using ribbons that will match your child's room.

3. Be sure to include some non-edible goodies, such as crayons, colored pencils, small books, and a stuffed animal.

"Use your talent (everybody has one) in anyway you can. Don't keep it for yourself like a miser - spend it like a millionaire!" Lucy MacDonald

**Sincerely,**

Dr Silva & Team  
Advanced Dentistry of Collegeville
